

**REMARKS**

This application contains claims 53 through 55, and 58 through 63, all of which are allowed.

In the Notice of Allowability, on page 2, there is an examiner's amendment that states, "On Page 35, line 11, the language 'imagine' has been changed to read -image--." However, page 35, line 11 of the specification does not include the word "imagine". The amendment should have been directed to line 12 rather than to line 11. Applicants are amending the paragraph starting at page 35, line 10 to clarify the examiner's intended amendment.

Since this amendment neither raises new issues nor requires further consideration, entry is respectfully solicited.

Respectfully submitted,
